SAVE THE DATE! We are pleased to introduce our first-ever consumer series, The Little Blackbird Luncheon Series, that will take place on August 5, 2008 at the Milleridge Inn. Mark your calendars today and please bring two or more family members, friends or colleagues to this luncheon. This Little Blackbird Luncheon will feature a panel of experts and parents that will address the many issues and challenges families with children of special needs are facing today.

The **Blackbird Luncheon Series** feature guest speakers from the special needs community and will continue throughout 2008. We hope you will join us.
